Overview:Finca in the countryside of Mijas but only 10-15 minutes by car from services and the beach. The finca is secluded, with only one neighbor and surrounded by nature with beautiful views of the sea and the mountains. The property is self-sufficient with its own well and solar panels. It consists of the main house, an annex and two studio apartments. The main house comprises of two bedrooms and two bathrooms en-suite, spacious hall and a large living room with open kitchen and exit to a lovely terrace with a nice view to the sea. There is an extra room that can be converted in to a third bedroom. In the basement there are two studio apartments, each with a small kitchen and bathroom with shower and access to a shared terrace. In the annex there are two bedrooms with wardrobes and two bathrooms en-suite, a kitchen and exit to a private terrace and patio next to the pool. The property also has a garage with room for one car and there is room to park more cars in the yard. There is also a large storage room in the basement. The current owners live in the big house themselves and rent out the smaller apartments.

Features:

Pool, Air conditioning, Sea views, Mountain views, Private garden, Parking
